Bridge2Food

Bridge2Food is a Dutch company established in Bilthoven. The company is active in the international food industry since 2002, focussing on the organisation of industry networks, research and consultancy, in the global health food business. A reputation has been established in fast moving food categories and food ingredients with tailored market research, consultancy and organisation of conferences and courses in Europe, Asia and the USA. Due to the success and the international network expansion plans, there is a vacancy for a:

Conference Manager

Taking the health foods & food ingredients business to the next level

Position

To organise key conferences, courses and programs in the area of health foods and food ingredients. The main tasks are:

- Organise, market and sell conferences, courses & events
- Develop and maintain customer relations
- Carry out pre-conference market research (quantitative and qualitative)
- Host conferences and courses

Profile

- University/ HBO degree, preferably Food or Nutrition related
- Relevant working experience (> 5 years). Preferably in sales and marketing in the international food business or in conference management in the food industry
- Preferably in an international environment
- Fluency in Dutch and English reading, speaking and writing
- Willingness to travel 25% internationally
- Experience with Microsoft Office

Competences

Commercial drive, communicative, accurate, "taking care", humorous and enthusiastic.

Challenge

We offer you a great opportunity to develop yourself in an international business environment and network in fast moving food categories from a relatively small company. You can tap into a global network of food business relations from the Bridge2Food colleagues and partners. You will have a lot of responsibility and will also get many possibilities for personal development.

We offer a market competitive salary package.

Location: Bilthoven (The Netherlands)

Application

Send in your application letter, including a resume and photo by mail or e-mail to G. Klein Essink (gkleinessink@bridge2food.com) or by postal mail to:
